The correspondence received from time to time from the public prosecutors of Bangalore Mysore and Shimoga are placed below for perusal.

The public Prosecutors of Bangalore and Shimoga have asked for permission to continue the services of the a clerk sanctioned for work under them in view of the heavy work in their offices. The public prosecutor Mysore has solicited instructions as to the office to which his clerk

has to be retransferred

As the continuance or otherwise of the staff referred to above was dealt with in the main file (linked herewith) orders were awaited on that file till now. The file is now submitted for orders.

It has been ordered in the main file that the G. O. dated 5th June 1940 need not be modified. According to this no allowance for establishment or contingencies is permissible to these officers

It is seen from the correspondence that the three clerks attached to the ~~post~~ office of the public prosecutors of the former three divisions have permanent lien over their appointments in the Court of the respective District Judges and as such the High Court may be requested to transfer these officials to their respective permanent places

The following points are for orders

1). Whether the public prosecutor may be intimated that it is not possible to continue the services of the clerk working in his office. (please see discussions in par 9 to 12 of the notes in the linked file)

2) whether the public Prosecutor Mysore may be asked to arrange for the transfer of his clerks to the District Judge's court Mysore the High Court being simultaneously intimated regarding the transfer of all the officials referred to above.

The request of the public Prosecutor Bangalore for the continuance of the clerks under him is also for orders

Issued 16/7 & Concession is shown to the P. Prosecutors & Bangalore & Others of them as will be asking contrary to the terms of the G.O. Hence their prayers are to be rejected. The High Court may be requested to transfer the clerks working under the P. P.'s to their respective permanent appointments (Law Secretary). 3 16/7

The G.O seems to be quite clear that no allowance for establishment or contingencies would be permissible. Hence the request may not be granted.

SIR,

I have the honour to invite your kind attention to G.O.No. 7646-56/Law 104-39-2 dated 5.6.1940 and to state that the work ~~of~~ this Office is so very heavy that a Special Additional Clerk had to be taken. There are so many cases, so many petitions to be filed, so many processes to be attended to and paid, and diaries noted and entered, that it is not possible to get on with the Government work without the aid of the present establishment.

Even though Government are pleased to appoint two Public Prosecutors one for Kolar and another for Tumkur, the work is not diminished to any considerable extent as this being the Head Quarters of Government, a large volume of work remains as can be seen from the returns.

The removal of the staff will dislocate Government work. Sir,

In forwarding herewith an application of B.R. Sundaraja Iyengar, clerk of this office, I have the honour to state as follows

The applicant was recruited to this post through Central Recruitment Board and was appointed by the Deputy Commissioner Shimoga in his memo no S2.302/38-39 dated 11th March 1939 and the post was subsequently transferred to the Unit of the District judge Shimoga and this official was ordered to be continued in the said Unit as per order of Central Recruitment Board no 626/C.R.B. dated 29th July 1939. (A copy of the said order is enclosed for kind reference).

The District judge has confirmed this applicant in this post in his memo no. Mis 4563/1431 dated 28-5-1940 and it is therefore seen that he is now a Permanent

Official in the Unit of the District Judge Siaya

The Government have ordered in their order no. P. 7646-56 Secon 104-39-2, dated 5-6- the withdrawal of the staff of this office and the District Magistrate has ordered in his memo no J.1. C 950/39-60 dated 6-6-1960, to dispense with his services immediately. As this applicant is a permanent Official in the Unit of the District Judge Siaya, I had a reference to the District Judge with this Office no 1092 dated 11-6-1960, and the District Judge has now ordered in his letter no Mis 4902/1515 dated 12-6-60 that his services should be dispensed with at once and that he would absorb him in any Vacancy if Government orders are obtained in the matter. (Copy of the letter is enclosed for ~~Kind~~ reference).

As this applicant is now a permanent Official holding a permanent job in the District Judges' Unit, it will work as a great hardship if his services are thus summarily dispensed with. I have therefore submitted his application for Kind and favourable Consideration of Government

I therefore request you to kindly obtain orders of Government for Continuing him in this office or to absorb him in a permanent Vacancy in the Unit of the District Judge Siaya and I request that Government

Respected sir,

The Government have in their Order No.P.7646-56 Law 104-39-2, dated Bangalore 5th June 1940, have asked the District Magistrate to withdraw the staff of this Office. But the District Magistrate has ordered in his Memo No. J1. C950/39-40 dated 6th June 1940, that my services be dispensed with immediately.

I was recruited by the Central Recruitment Board in the unit of the Deputy Commissioner, Shimoga District, and I was appointed by the Deputy Commissioner to work in this office and I took charge of this Office on 1-4-39.

This appointment has been transferred from the Unit of the Deputy Commissioner to that of the District Judge, Shimoga Division, as per order of the Central Recruitment Board dated 1st May 1939 and I have been continued to work in this office in the Unit of the District Judge as per Letter No. 676/C.R.B. dated the 29th July 1939 from the Secretary, Central Recruitment Board to the District and Sessions Judge, Shimoga.

I completed the probationery period of one year as per rules on 1-4-1940 and I was confirmed by the District and Sessions Judge, Shimoga Division as per memo No. Mis. 4563/1431 dated 28th May 1940.

The District Judge, Shimoga has stated in his letter No.Mis. 4902/1515 dated 12-6-1940 that he would absorb

me in his Unit if Government Orders are obtained in the matter.

I may be permitted to quote the following Rules of C.R.B. revised as per No. 6-105/C.R.B.'1-34-1, dated 3rd July 1934.

"Section 28. Appointment to the Service. The selected candidate after the successful completion of the period of probation shall be appointed member of the Sefvice at the first opportunity and may, if a vacancy in the Service existed, be appointed with reprospective effect, provided that no probationshall be appointed to the Service before any other probationer for appointment to the same Service who completed his probation satisfactorily to such grade.

Section 29. Seniority. A member of the Service shall take rank in any grade of the Serivice according to the date on which he is substantively appointed to such grade.

As I have been already confirmed. I am a member of the Service. I claim seniority above the officials who have been appointed subsequent to my appointment, and therefore I have to be absorbed in some vacancy in the Unit of the District Judge. Shimoga.

I therefore request Your Honour to kindly obtain necessary orders of Government to absorb me in th Unit of the District Judge, Shimoga Division Shimoga immediately.

With reference to Government order No. P. 7646-56 Laws 104-39-2 Dated Bangalore 5th June 1960. withdrawing the staff of this office I have the honour to state as follows:-

There is a great necessity for the services of at least one clerk in this office in order to attend the office correspondence and other routine matters. A number of registers is to be maintained and dates of hearings of cases are to be intimated to the heads of departments concerned and also quarterly returns will have to be submitted to the Government and to the Deputy-Commissioners of Districts.

Though Separate public prosecutors are appointed for each District, the Head quarters public prosecutor will have to attend practically to all the criminal appeals of all the Districts in the Division and this

regard in vows further Correspondence etc.

Thus it is seen that there is an absolute necessity for the services of at least one clerk in this office and the withdrawal of this clerk would cause great inconvenience and hardship.

Besides, the Government have sanctioned this post as on a permanent basis and the present clerk is certain in this post

I therefore request you to kindly place all this matter before Government and obtain their kind orders for the Continuance of the clerk in this office
